

President's Note...

Dear APacCHRIE members:

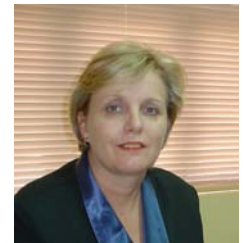

It is seven months since we all met in Kuala Lumpur for the 3rd Asia Pacific CHRIE Conference, how time flies! I am sure that you are very busy preparing for the school work!

Year 2005 has to date been a very positive year for APacCHRIE. Membership continues to increase and we are very happy to welcome the members of Australia and New Zealand to our Chapter. The increase in membership means that APacCHRIE is now eligible for a change in status from a Chapter to a Federation. Application is in process and will hopefully be formalized by International CHRIE during the Executive Meeting in February 2006.

With the formation of the APacCHRIE secretariat office, communications have certainly improved and I would like to thank Prof Kaye Chon and Antonia Wong for their assistance, support and time. In addition, the APacCHRIE Website is already published in the Internet (<http://www.apacchrie.org>), thanks to the hard work and dedication of Dr. Vikneswaran Nair.

Looking into the future, our next big event will be the 2006 Asia Pacific CHRIE Conference, which will be a joint conference with the Asia Pacific Tourism Association in Hualien, Taiwan from 26 – 29 June 2006. So don't forget to mark your calendar for this event promises to be very informative and interesting and an opportunity not to be missed!

As we are nearing the end of the year, I would like to take this opportunity to thank you all for your continued support and do wish you all the very best for 2006!

With best regards!

CAROL
